

# THE SANDMAN

## DESCRIPTION

Designed for plush comfort and exceptional support. Created in partnership with the prestigious Sandman Signature Hotel Group, this mattress features a tall 32cm profile with five expertly layered fillings. With a 1,500 pocket spring unit and a blend of premium natural wool and cotton, it offers a soft, enveloping sleep experience that cradles the body and promotes restful nights. Its generous height and refined construction add elegance and presence to any bedroom, reflecting the high standards of comfort demanded by top hospitality environments.
